

ROUGHNECK®

TOUGH TOOLS FOR A TOUGH WORLD™

DOOR & BOARD LIFTER

**IDEAL TOOL FOR
CARPENTERS, GLAZIERS, PAINTERS
AND LOCKSMITHS**

Place the Door & Board Lifter on the floor towards the centre of the door or the board you wish to lift (Fig 1)

Slide the Door & Board Lifter's lifting tip under the item you intend to lift (Fig 2)

Apply pressure to the round foot pad to lift the item into position whilst stabilising with one hand, leaving the other hand free to carry out work (Fig 3)

If necessary, you can apply pressure with your knee, for example when fixing lower hinge of a door (Fig 4)

TOOL TIP

Lightly oil moving parts after use and store in a dry environment

WARNING

Keep fingers away from the tool when in use as pinching can occur
